

Welcome to BlountCountyHumaneSociety.org!

The Blount County Humane Society is a grass roots, citizen based, non

profit 501(c)3 “Animal Protection Organization” in the truest and longest traditions of the movement. We believe that animal protection stands for the preservation of animal life, not the ending of it. Our goal is to make Blount County a no kill community by building a safe shelter that saves our dogs and cats by following the no kill philosophy. If you would like to be a part of the true solution that is dedicated to champion and protect the animals, then you have found the right organization... Welcome animal lovers!
